Guard Meeting Urges Federal Training Plan

Rebukes Association That Dodged Question of U. S. Control

O'Ryan Hears Own **Actions Censured**

Convention Adjourned Before Soldier Guests Arrived; Protest Followed

Two thousand representatives of the rank and file of the National Guard adopted without dissent yesterday and with a shout of "aye," which threatened the roof of the 71st Regiment armory, a resolution declaring for universal military training under exclusive Fed-

The meeting itself, the enthusiasm and the resolution were all in the National Guard Association, which had adjourned sine die two hours before in the same place, and to Major General John F. O'Ryan, who had domi-

The convention, just before adjourning, had adopted a set of resolutions Federal control. It had done so in

7th Regiment: Major Francis G. Landon, of the Universal Service Commitice of Veterans, National Guard and Naval Militia of New York; Captain Herbert Barry, of Squad on A, and

Mr. Satterlee and his as ociates had sent out 6,000 post cards to officers and men of the National Guard, past and present, inviting them to attend at 5 officers and men arrived the convention had taken the action which they had ne to oppose and had passed into history. Nevertheless, the meeting was organized and proceeded to business.

O'Ryan Hears Straight Talk

General O'Ryan, it was observed, took seat with the rest and heard some traight talk from Robert E. Ewell, a first lieutenant in the 12th degiment.

mean every officer who can submerge his own personal interests and can bear to see his own rank disappear in the abbilition of an utterly wrong system."

Again the audience applauded, in the midst of which the young officer left the platform and resumed his seal in the hall. There were few present who did not recall that on the border last fall General O'Ryan had ordered the 12th Regiment te pass in review before him a second time because it had done so with its flags furled the first time, same that following this humiliation all the efficers of the regiment had resigned.

Misunderstanding. He Says
